## Class of 2014 Graduation Newsletter Continued....

### Graduation Day

You are to arrive at the Adrienne Arsht Center/Knight Concert Hall by 5:45pm and go directly to the **Peacock Foundation Room** located inside the building. **Please do not be late.** Report to your place in the line-of-march and remain in place for further instructions; your name card will be issued at that time.

The Knight Concert Hall doors will open at 6:30pm for all guests and the graduation hall will open at 7pm. Doors will close at 7:15pm for the start of the processional. Guests who are not seated by 7:15pm will remain in the lobby until all graduates have marched in, then the doors will reopen.

Please remind your guests not to bring items into the graduation such as balloons, which may detract from the dignity of the ceremony or create any action which may interfere with the ceremony. City of Miami Police will escort any guest out of the graduation who cannot comply.

The success of the graduation ceremony will depend on you and your invited guests. Please adhere to the following:

1. If you arrive late and the processional has begun, do not try to find your place in the line, simply fall in place at the back of the line.
2. Take family pictures in graduation apparel before graduation day. You must turn in your gown immediately following the ceremony in order to receive your diploma. The cap, stole, hood, medallion, and tassel are yours to keep.
3. Remain in your seats at all times during the program. Professional photographers will take your picture as you receive your diploma cover. The company will notify you within a week of the graduation with information on packets to be purchased.
4. Be attentive during the ceremony to ensure observance of the total program and to guarantee that all graduates receive proper notice. Noisemakers and/or other objects that detract from the ceremony are not permitted in the concert hall. Remember, during the ceremony, you have not graduated and are still governed by the rules and regulations of Miami Jackson's administrators.
5. Please do not bring any item with you, such as purses, bags, cellular phones; they will not be allowed in the staging area. You will receive your name card when you take your place in the line-of-march.
6. Diplomas are distributed on site at the conclusion of the ceremony. Immediately following the recessional, return to the designated area, turn in your gown and move to the table (by last name initial) to pick up your diploma. Leave the area immediately as others are directly behind you. If you receive a financial statement, please do not attempt to rectify the matter at the graduation site; see the Treasurer, at the school, on Tuesday, June 3rd.
7. The graduation ceremony is a dignified ceremony, one to be remembered for the remainder of your life. Please take it seriously by observing all rules and regulations. **You are not to toss your cap in the air at the conclusion of the ceremony.** This is a liability and could very well have severe consequences for you. **Please, do not toss your cap.**
